

As a proud member of the **American Subcontractors Association of Arizona (ASA)**, our firm supports the **Arizona State Contractors Coalition (ASCC)** and the advocacy efforts the coalition pursues on behalf of the construction industry and specialty contractors statewide. Their goal is to improve and safeguard the business environment for companies like ours throughout Arizona — protecting our rights, including the right to get paid, lien rights, and fair risk transfer.

Your voice IS your vote. State leaders, including legislators in the Arizona State Senate and House of Representatives are influenced by the voters, their constituents — YOU. You can make your voice heard by signing up to be a member of the **Arizona State Contractors Coalition Legislative Action Team**. There is no cost; this is not a donation request.

- Enrollment allows the coalition to keep you informed of current issues and bills before the Legislature.
- There is strength in numbers. By adding your voice the construction community becomes stronger a whole.
- Sharing your personal information allows you to be identified by your home legislative district and counted as an ASCC and ASA supporter in your Legislators' district — they listen to their constituent voter base — YOU.
Your personal information is never shared or sold and will be used solely for the stated advocacy purposes.
