Q: What do I need to do to get a quote or proposal of the ASA Health & Wellness Benefits Program options for my company?

- Call (877) 822-4571 or Email to: asabenefits@bbphoenix.com and let our Broker Partner know that you are interested in finding out more and getting a proposal with the ASA discounted rates.
- They will provide you with a more in-depth overview of the program if needed while providing a list of the items they will need to get the ASA rates from the insurance companies.
- The required items will include your **Eligible Employee Census** and then your **Current Plan Summaries and Rates** if you currently have an in-force benefits plan.
- If you are just getting started and don't yet have a plan, then just the **Census or Individual Medical Questionnaires** (if you have less than 26 employees) is all they will need.

Q: Who is the Broker Partner for the ASA Health & Wellness Benefits Program?

- Our Exclusive Broker Partner – is [Ben](#) at **Brown & Brown Insurance**. Brown & Brown is the 6th largest insurance brokerage intermediary in the United States with over \$2 Billion in annual revenue. Additionally, Ben has brought us this comprehensive solution after many years of involvement with the ASA to help provide even more cost saving value to our members we work together to help you grow and be more profitable. For questions you can reach Carol directly at (480) 385-8477 or email Carol at carol@asa-az.org.
